This is to inform you I have tried to fill out the Oct. 15 quarterly report online form several times and it will not validate because of a error relating to needing a FEC number in field 2. The FEC number is in field 3 and is automatically generated when the form is brought up. Please be informed we have had no contributions and no expenditures since our last report filing.

I have also tried to terminate this committee using the online reporting, as is required, and have not been able to find the online form, despite following the instructions provided on the website. I have also made several telephone calls to the support line and have not been able to get anyone on the line. Be advised this Misc. Report FEC (Form 99) is our quarterly report.
